

Step 4: Search for jobs at UC San Diego

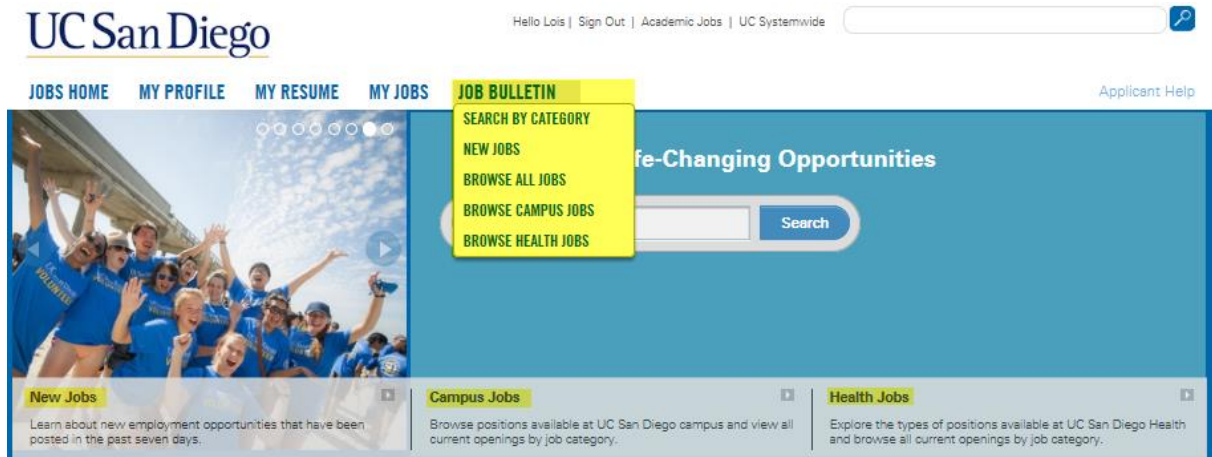

You can search for jobs at the University of California, San Diego by visiting our website at <http://jobs.ucsd.edu>. From this sight, you will find information regarding our Current Job Listings. You can access the current job listings through either one of the following methods:

1. From the “Job Bulletin” tab, a drop-down menu will follow and you can:

- Search By Category
- New Jobs
- Browse All Jobs
- Browse Campus Jobs
- Browse Health Jobs

You will be directed to the job openings we currently have under that particular category.

2. Click on the “New Jobs”, “Campus Jobs”, “Health Jobs” links from the Home Page, where you will find a list and descriptions of the various job categories at UC San Diego. Select the specific job category you are interested in by clicking that link, and you will be directed to the job openings we currently have under that particular category.

The screenshot displays the UC San Diego Jobs website interface. At the top left is the UC San Diego logo. To the right, there is a user greeting "Hello Lois | Sign Out | Academic Jobs | UC Systemwide" and a search bar. Below the logo, a navigation menu includes "JOBS HOME", "MY PROFILE", "MY RESUME", "MY JOBS", and "JOB BULLETIN". The "JOB BULLETIN" menu is open, showing a dropdown with options: "SEARCH BY CATEGORY", "NEW JOBS", "BROWSE ALL JOBS", "BROWSE CAMPUS JOBS", and "BROWSE HEALTH JOBS". The main content area features a large blue banner with the text "Life-Changing Opportunities" and a "Search" button. Below the banner, there are three columns of job categories: "New Jobs" (Learn about new employment opportunities that have been posted in the past seven days.), "Campus Jobs" (Browse positions available at UC San Diego campus and view all current openings by job category.), and "Health Jobs" (Explore the types of positions available at UC San Diego Health and browse all current openings by job category.).

Customizing Your Job Search

You can search by specific types of jobs at UC San Diego by customizing a search. Below are some step-by-step instructions.

1. From the drop-down menu of the “Job Bulletin” tab, select the option “Search by Category”. This will take you to the “Search by Staff Jobs” page.
2. In the drop-down box entitled “Job Category”, select the job category where in you would like to conduct your customized search. You have the option of selecting “All Categories” for your search. For example, from the drop down menu, select “Human Resources”
3. In the text box entitled “Search For”, type in the words you would like to use as criteria for your search. For example, to find positions with human resources responsibilities, please type “human” and “resources” in the text box. You can type up to three search terms for your search.
4. Click the “Search Jobs” button to generate the results of your requested search. Results of your search will be noted by Job Category and the number of results per category.
